

# Scaling Up for Success

9 out of 10 businesses in the UK are eager to grow. The problem for many is understanding how.

Working in partnership with Smith & Williamson, Moore Blatch is delighted to invite you to 'Aim Higher - Talent to scale', the first of four *Scaling Up for Success* seminars.

A critical component in any business is its people. The ability to attract the very best talent to cultivate, motivate and harness its potential is the most vital ingredient of business success.

In this seminar we will look at:

- **Trends and challenges in attracting talent with competition at an all-time high**  
*Barney Ely, Director, Hays*
- **Understanding benefits as a key driver to incentivise staff and keep top talent**  
*Chris Murray, Partner, Smith & Williamson*
- **Employment contracts: the importance of protecting the interests of your business**  
*Emma Edis, Associate, Moore Blatch*
- **Scale Up fact find to identify immediate and fundamental HR challenges**  
*HR Director, People Puzzles*
